

### **REMARKS/ARGUMENTS**

#### **1.) Allowable Subject Matter**

The Applicant thanks the Examiner for the allowance of claims 29-50 and 54-56. The Examiner also indicated that claims 52 and 53 would be allowable if rewritten in independent form. In order to expedite prosecution, the Applicant has amended each of claims 52 and 53 to include the limitations of their base claim, claim 51, which has been cancelled; accordingly, claims 52 and 53 are also now allowable.

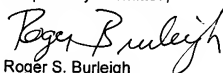

\* \* \*

### CONCLUSION

In view of the foregoing amendments and remarks, the Applicant believes all of the claims currently pending in the Application to be in a condition for allowance. The Applicant, therefore, respectfully requests that the Examiner withdraw all rejections and issue a Notice of Allowance for claims 29-50 and 52-56.

The Applicant requests a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,
